### EXPERIENCE

#### **ECOWATT MAROC**, Aït Melloul, Morocco — *Full-Stack developer*

Apr 2024 - May 2024 - 2 months

I developed the initial version of a new E-learning platform, applying my full-stack development skills to create various features.

### EDUCATION

#### **Al Maarifa highschool**, Ait Melloul, Morocco — *Mathematics Sciences Baccalaureate*

2020 - 2021

I developed strong analytical and problem-solving skills through a focus on advanced math and sciences.

#### **Specialized Institute Of Applied Technology**, Ait Melloul, Morocco — *Specialized Technician diploma*

2022 - 2024

I developed a reliable web development foundation and honed my skills through projects and collaboration with classmates and trainers.

### PROJECTS

#### **Sneakers** — *E-commerce website*

My first MERN stack e-commerce website, interactive and responsive with various features.

#### **HomeHelper** — *House services website (currently under development)*

Homehelper is a platform that offers all house services, acting as the middle man between a service provider and a client.

#### **My personal portfolio** — *Portfolio website*

A portfolio website built with React and Tailwind CSS, showcasing my skills and projects in an elegant and seamless layout.
